Papers published in this issue originated with the following committees:

Engineering Program Committee

1965 Metals/Materials Congress
Detroit
October 18-22, 1965

David Krashes, *Chairman*
Massachusetts Materials Research, Inc.
Francis C. Albers
Chicago Pneumatic Tool Co.
Frederick P. Bens
Climax Molybdenum Co.
F. W. Boulger
Battelle Memorial Institute
O. E. Cullen
Midland Ross Corp.
Wallace J. Erichsen
Westinghouse Electric Corp.
Samuel M. Jacobs
United Aircraft
Robert E. Layton
The Boeing Co.
Max W. Lightner
U. S. Steel Corp.
John Longabaugh
Outboard Marine Corp.
Robert C. Onan
Waukee Engineering Co.
Wayne A. Reinsch
North American Aviation,
Conrad J. Schoppe
Tennessee Gas Pipeline

Technical Program Committee

1965 Western Metal Congress
Los Angeles
February 22-26, 1965

A. D. Shankman, *Chairman*
Autonetics Div., North American Aviation
C. C. Angstadt
Douglas Aircraft Co., MSSD
G. J. Basl
Rocketdyne Div., North American Aviation
E. C. Bernett
Jet Propulsion Laboratory
H. H. Block
AiResearch Mfg. Co.
Sol Bramer
Aerojet General Corp.
E. W. Cawthorne
Battelle Memorial Institute
J. Edman
Menasco Mfg. Co.
C. F. Franc
Norris-Thermador Corp.
A. Freedman
Northrop Norair
R. F. Hockman
Georgia Institute of Technology
John Holzwarth
Electric Furnace Co., Turnkey Div.
W. E. Hopkins
International Nickel Co.
Roy E. Huffaker
Ladish Pacific Div., Ladish Co.
H. Leggett
Douglas Aircraft Co., MSS
M. M. Mabry
Rocketdyne Space Engines
North American Aviation
J. R. Miller
Allegheny Ludlum Steel Co.
H. Rischall
Hughes Aircraft
W. W. Scheel
Republic Steel Corp.
E. A. Zezula
E. A. Zezula and Associates

Engineering Program Committee

1964 Metals/Materials Congress
Philadelphia
October 19-23, 1964

James F. Schumar, *Chairman*
Argonne National Laboratory
Frederick P. Bens
Climax Molybdenum Co.
F. W. Boulger
Battelle Memorial Institute
